

Maintain Continuing Competency Through VCE!

Adhere to IBHRE's certification requirements and maintain competency with IBHRE's Verification of Continuing Education (VCE) Program.

Required once every five years following certification and recertification, IBHRE requires 45 contact hours. Certified professionals may complete any combination of 45 contact hours from the list provided below:

- ◆ Continuing Medical Education (CME) or Continuing Education (CE)
- ◆ IBHRE Committee Service
- ◆ Lecture/Presentation
- ◆ College or University Credit
- ◆ Industry Training
- ◆ Industry Sponsored Education Presentation

Individuals who do not comply will be identified on IBHRE's website with an asterisk as "Certified — VCE noncompliant". For more information, go to www.ibhre.org.
