

INTERNATIONAL HEALTH CARE SOCIETIES

PARTNER WITH IBHRE

TO BRING RECOGNITION TO YOUR MEMBERSHIP

The International Board of Heart Rhythm Examiners (IBHRE) is committed to achieving a high standard of excellence for cardiac arrhythmia professionals around the globe. IBHRE encourages international partnerships to help meet the needs and global standards of diverse health care systems and to facilitate worldwide professional recognition.

IBHRE offers four unique certifications designed to demonstrate a mastery of knowledge in cardiac rhythm management:

Cardiac Rhythm Device Therapy for the Physician

Cardiac Electrophysiology for the Physician

Cardiac Rhythm Device Therapy for the Allied Professional

Cardiac Electrophysiology for the Allied Professional

Partnering with your organization will allow IBHRE to:

- Tailor the certification to meet your country's health care mandates
- Certify your health care professionals specializing in cardiac rhythm management
- Endorse your educational programs and products to enhance professional development
